

# STRIPFORM

## OIL BASED FORM RELEASE AGENT

### DESCRIPTION

**RLA STRIPFORM** is an oil based form release agent specifically formulated for application to timber and steel formwork. Stripform can be used to coat tools and equipment to facilitate cleaning and protect against corrosion

### FEATURES & BENEFITS

- Economical
- Easy Application
- Clean Release

### SURFACE PREPARATION

All formwork must be free of oil, grease, loose rust, loose material, residual concrete or any other contaminants which may affect the concrete appearance

### APPLICATION

- STRIPFORM can be applied directly from the pail without need for mixing
- Apply the Stripform to formwork using a brush, medium nap roller or low pressure sprayer
- Apply a thin even film over the entire surface of the formwork. Avoid any excess build up on the surface to prevent a dusty or stained finish on the concrete.
- Any excess liquid remaining on the surface after application should be wiped off and removed

### COVERAGE

- Apply at coverage of 1litre per 8-10m<sup>2</sup>

### CLEAN UP

- Clean up all equipment with water immediately after use
- STRIPFORM can be removed using Xylene or other solvent hydrocarbon

### STORAGE

- Store in a cool, dry, well-ventilated area
- Store away from elevated heat or ignition sources or naked flames

### CONTAINER SIZES

- 20litre pails and 200L drums

### HEALTH & SAFETY

For information and advice on the safe handling, first aid, storage and disposal of chemical products, users must refer to the most recent Safety Data Sheet (SDS) containing physical, ecological, toxicological and other safety-related data

### PRODUCT INFORMATION:

<b>Specific Gravity</b>	0.95gm/ml

**WARRANTY STATEMENT:**

RLA Polymers guarantees this product against manufacturing defects and guarantees it to be manufactured to our published specification.

We certify that this product is suitable for use when fully cured and will perform as described in our technical data sheet or other published materials.

RLA Polymers will replace the product free of charge when purchased from any legally verifiable source and where a product is proven to have been stored, handled, and install according to instructions published on our packaging and within the stated shelf life. The Installation of all materials must be carried out in accordance with relevant Australian Standards.

Warranty doesn't apply if damage, loss, failure to follow instructions, or other circumstances are out of our control.

Sufficient time and access to investigate any complaint must be accorded to RLA Polymers.

The consumer is responsible for any expenses incurred in making a claim.

A claim form can be requested by:

**AUSTRALIAN CONSUMER LAW:**

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality, and the failure does not amount to a major failure. The benefits under our warranty are in addition to other rights and remedies available to the consumer under the law in relation to the goods and services to which the warranty relates.

**DISCLAIMER:**

All statements and technical information contained herein are based on tests we believe to be reliable, but the accuracy thereof is not guaranteed.

Users assume all risk and liability resulting from the use of the product and must confirm the suitability thereof by their own tests. Conditions of Sale contain a limited warranty against manufacturing defects.
